

# Funny Word Game

Recommended for children Kindergarten and up

## Game Prep Instructions

- 1) Print off and laminate all of the letter boxes below.

- 2) Cut out each individual letter box on the lines so you have just one letter and one number per game piece.

- 3) Put the separated pieces in a bag or a bowl.

## Directions

### Game Play

- 1) The youngest player goes first. Play continues to the left.
- 2) Choose how many rounds you would like to play. We suggest four to six rounds starting out. More letter drawings will create larger words. Fewer letter drawings will create shorter words.
- 3) The first player picks up one of the letter tiles and places it in front of him/her.
- 4) Play moves to the left. The second player also chooses a tile and places it in front of him/her. Play continues until all players have one tile. This is the end of drawing turn one.
- 5) Player one takes a second tile from the pile and places it in front of him/her. New tiles must be placed with the lowest tile **number** on the left and the highest tile **number** on the right.
- 6) Play continues to the left. Each player draws a new tile and places it in front of him/her.
- 7) For each succeeding drawing turn, players draw new tiles and place them in order so that the smallest number is to the left and the largest number is to the right.
- 8) Now take turns reading your funny word out loud

### Winning the Game

- 1) After you finish all rounds, you will determine who wins. You can choose a winner in one of two ways.
  - a. For younger children (or for giggles), choose the player whose word is the funniest. That player wins the game!
  - b. For older children, add up all of the numbers associated with the word. The person with the highest word number score wins.
